Dr Sumitra Agarwal is a highly accomplished practitioner with over 20 years of experience. She is the **Founder and CEO of the Artificial Eye Company** and a **TEDx speaker**, recognized for her thought leadership and innovation. With an active presence on YouTube, she educates and engages diverse audiences through her insightful videos, amassing **over 41,000 subscribers** and **more than 10 million views**.

Throughout her multifaceted career, Sumitra has excelled as a **practitioner, educator, writer, administrator, and consultant** across multiple domains. She has earned immense respect in the field of **ocular prosthetics**, specializing in customized artificial eyes that help restore confidence and quality of life for patients with disfigured eyes.

In addition to her work in ocular prosthetics, Dr Sumitra also practices **homeopathy**, where she uniquely integrates treatment with **astrology**, reflecting her holistic approach to healing. She is frequently invited as an **astrology panelist** on various news channels, including **GNT, AajTak, Navbharat Times, Sheemaro, Disha, Santavani, Sarvadharm TV**, and many more.

Her contributions have been widely recognized. She has been honoured as the **Best Vastu Consultant by the Women Economic Forum** and has also received an award from **Lok Sabha Speaker Shri Om Birla** for her outstanding work in the field of **Vastu Shastra**.

She co-authored three books with me:

1. Textbook for Diploma in Optometry 1st Year

2. Textbook for Diploma in Optometry 2nd Year
3. A Manual of Elite Sports & Vision
